Mini Public Speaking Results!

This year due to COVID-19, the Royal Canadian Legion Ontario Command cancelled the Legion's Annual Public speaking competition. However, Onaping Falls, Branch 503 decided to give our local students a chance to compete through a Mini-Speaking contest. Speakers could submit a video tape of their speeches rather than competing at an in-person event. The results are in and the winners of the Mini-Speaking contest are related!

The Junior winner is Ella Kurtis for her speech on "The Wonderful World of Guinness World Records".

Winner in the Primary division is Austin Kurtis for his speech on "Things I Love".

You can go to the Onaping Falls Legion, Branch 503 Facebook page to watch the speeches!

Both winners took home medals, a certificate and cash awards for their efforts.

Thank you to Branch 503 for keeping the Public Speaking alive in Onaping Falls!!

IN LOVING MEMORY OF

The proud patriarch of his family, Jim was a devoted husband, father, father-in-law and grandpa. He lived a rich, full life and he was well loved.

He met his lovely wife Sophie in Sudbury shortly after she arrived here from Saskatchewan and they married in 1952.

Jim started at Inco in September of 1951 and would go on to enjoy a 35 year career working in a variety of roles in Copper Cliff, Levack and Indonesia.

Jim was predeceased by his parents William (Bill) and Lois, his brother Ronald, his sister Elizabeth and his "beautiful bride" Sophie.

He is survived by his children Raymond (Suzy), Shelley, Robbie (Jackie); Grandchildren Steven (Andrea), Ashley and Zachary, and his brother Kenneth (Terri).

Jim Bellisle

March 15, 1933 - March 9, 2021

Jim was an avid hockey fan and was well known around the Levack Arena where he spent hours watching all age groups of hopeful players that donned the Gold & Green of the Levack "All Star" teams. He was always available to shuttle players to and from games when their parents were not able, providing sage advice pre and post-game and at all times spun in a very positive way. He wore Gold & Green proudly himself, serving as manager to several "Rep" teams over the years. Working with some of the best Coaches the area had to offer from Ron Corelli and Jimmy Laberge to Clarence 'Clancy' Vowels.

Jim was also an avid partridge hunter. He spent hours travelling the trails and side roads of Northern Ontario riding 'shotgun' with his son Raymond. "My dad was the best hunting partner I ever had", Ray would say often.

A graveside service and a celebration of life to honour Jim will be held at a later date.

OBSERVATION DECK

APRIL 2021
WITH ELLARD

Condolences to the families of Wayne Beaudry,
Winston Olive, Beatrice Smith, Bonnie Vellow
and Jim Bellisle.

COVID-19 UPDATE - With the arena and outdoor rinks open, parents, players and skaters were happy. The next hope was to open the community/leisure centres, pickle ballers, art groups, sewing club...everyone was excited for this step but low and behold we had a surge in virus cases which resulted in the 'GREY ZONE'! One step forward...three steps back!

AMALGAMATION

The outside towns had very little input into the decision. The City wound up with all the equipment and representation. Local politicians seem to believe in 'Build it and the People will come.' This mentality leaves nothing left to maintain outlying towns. Our parents fought hard for our freedom and standard of living. The mines with Unions provided us with the amenities to enjoy a full rich life.

These require constant maintenance and improvement.

I was lucky enough to be a lotto winner for the vaccination! From the volunteers in the parking lot to the exit and all in between everyone was professional and courteous. Need Assistance? No problem.

Any questions? Answered! No lineups.

It was a weight of my shoulders.

Round 2...April 15th :)

Easter is around the corner! Celebrate what it truly represents. Joanne always insisted the kids and I take time to paint Easter eggs.

Mine were always the worst :(

We went to Church Easter Sunday and headed home after to our Easter Egg Hunt. Well, that year, somebody left the dog out in the backyard! We arrived home to an egg path that was GONE! We managed another path in the front yard!

ENJOY LIFE! Spring is Here! Summer is on the Way!

Flowers heal me.. ..Tulips make me happy!

Tulips make me think about Mr. Tenbult, our City Gardener, that lived on Fraser Street Onaping!

He kept our towns looking so beautiful with his 'Dutch touch'!

The tulip is, easily, the most recognized and loved flower in the world. Tulips originated in Persia and Turkey but became popular when the Netherlands got their 'green thumb' on them! Dutch tulips became so popular in the 17th Century that the phenomenon 'tulip mania' was set in motion and tulips became so highly sought that prices went soaring and the markets crashed! Imagine that...all over a little flower!

Tulips come in so many colours with each colour carrying their own significance! Red tulips symbolize true love, yellow tulips once symbolized 'hopeless love' but has since become more commonly known for cheerful thoughts and sunshine. White tulips are used to send a message of forgiveness and your purple tulips signify Royalty!

In World War II the Netherlands were invaded forcing the Dutch Princess Juliana and her family to flee. Princess Juliana and her daughters set sail for Canada. They were welcomed in Ottawa in 1943 and stayed safe on our land until the conflict was over. After the War was over Princess Juliana expressed her gratitude to our country by sending thousands of tulips bulbs to the Capitol. The gift of Tulips is a yearly tradition.

Each year the Dutch Royal Family and the people of the Netherlands send 10,000 tulip bulbs to Ottawa

For Canada's 150th Birthday, in 2017, a very special red and white variegated tulip was created to mimic the Canadian Flag. Once again, the tulip was well sought after it did not crash the market but it was very hard to find.

With the lack of snow this winter and the rain and warmer weather we are sure to see the tulips sprouting from the ground. Our spring deer absolutely love to eat the fresh new greens of the flower. Enjoy the beauty of Spring and the re-birth that it symbolizes! Take time to renew yourself!

HAPPY SPRING!!

He is Risen

Beloved brothers and sisters in Christ,

Greetings of peace and joy as we celebrate another Easter. We celebrate at Easter the triumph of good over evil as Christ who dies to save sinful humanity was raised to life on the third day. By dying he destroyed our death and by risen he restored our lives.

It is yet another extra ordinary Easter celebration due to Covid-19 restrictions and the safety protocols set forth. But just as the tomb could not withhold Jesus, so too, the effects of Covid-19 will not dim the light and joy that Easter radiates. So let us rejoice and be glad for the Lord is risen indeed.. Praise the Lord! Alleluia!

May I use this opportunity to thank everyone for your good community spirit. We are truly stronger together. We acknowledge all your sacrifices. May the Love of God continue to bind us together. And may the risen Lord continue to pour out His blessings upon everyone in the name of the Father, and of the Son and of the Holy Spirit. Amen!
