

APRIL 2022

Welcome back to Life!

by Dolly Gordon

We can all breathe a sigh of relief that our 2 years of Covid lockdowns, fears and those darn masks may have come to an end. It was a tough 24 months for all of us and some of us handled it well and some ...not so well.

Now that we have some freedom, I think it is important to remember that there are still many afraid to catch the virus and may still want to wear a mask. Please be respectful of their fears. So often we make comments that we 'don't walk in others shoes.' Let us all remember this as we go forward in our recovery. Be a nice human!

A colorful illustration of the Easter Bunny standing in a garden. The bunny is wearing a purple hat, a red vest over a yellow shirt, and a pink and white striped skirt. It is holding a basket of colorful Easter eggs. In the background, there is a rainbow, green hills, a white picket fence, and a small house.

OBSERVATION DECK

APRIL 2022

WITH ELLARD

Condolences to the families of Kevin Lalonde, Don Haggart, Joan Guse and Simone Sobol.

I recently went to our Maple Crest Cemetary and I was reminded of old friends and coworkers most of whom led peaceful lives and died of natural causes. Then I thought of the nightmare that is happening in the Ukraine. Our thoughts and prayers go out to the people of the Ukraine. Putin has declared war and is killing innocent people. Let's do what we can to put an end to this. Pray for our countries to help out. How can one country put fear ont he rest of the world?

Take this Easter Time to enjoy the ease of the pandemic and be happy you live in Canada,

Thank Goodness the Easter Bunny doesn't run on fuel.
Happy Easter and Be Safe!

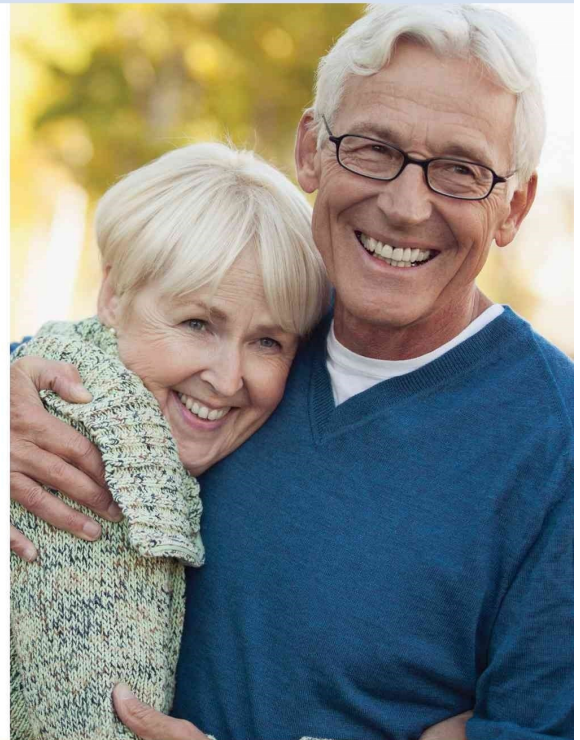

CHARTWELL MEADOWBROOK RETIREMENT COMMUNITY

OPEN NOW!!!

We are excited to share that we will be adding three-storeys of new independent supportive living suites with contemporary one-bedroom layouts to the northwest side of our retirement residence! Additionally, the new wing of our community will feature brand-new amenities that all residents can benefit from, including a welcoming fireplace lounge, bistro for snacks and beverages, and a lovely outdoor terrace.

This new expansion will also include the construction of 14 townhomes available for rent, located along the eastern edge of our property. Ideally suited for independent and active individuals, these two-bedroom townhomes will offer older adults who are looking to downsize with the freedom to continue to cook and manage their own household, as well as the benefits of 24-hour security, housekeeping services and all social and leisure opportunities in our retirement residence.

Poetry, like beer can be an acquired taste. If your experience with poetry has only been school assignments, you may have just moons and Junes and rhyming tunes. Nor is it just indecipherable language written 500 years ago. Poems are created in many varied forms. They can express the

inexpressible. Oftentimes conversation can narrow down how we feel, but poetry can really convey the intangible. Its complexity can lead to simplicity. We have a poetry corner in the Levack Onaping Library. Come take a look. You may be surprised what poetry may say to you. And you can always find out which kind of poetry resonates with you by attending our “Quick Fix Poetry Mix”. We will spend a short half hour sharing one Classic poem, a favourite poem and maybe some original creations if time allows. The first Poetry Mix happens on April 5th from 6:00 to 6:30 p.m. Be there, or be square... (Also a poem!)

Just a reminder that the library can come to you! Are you someone who may have difficulty getting out to the library? Or you know someone who would appreciate having library materials delivered? Consider becoming part of the Homebound program offered by the Greater Sudbury Public Library. It works like this: you let Homebound know what kind of books you prefer and an assortment of those books are chosen for you once a month. They are delivered to you by volunteers, who also return your finished books back to the library. This is a great way to let those of you, who, for whatever reason, can't get out, to still have access to new reading material. Homebound can be a permanent or temporary solution depending on your needs.

Contact the Levack Onaping Library at **705-688-3951** to become a Homebound recipient!

Are you registered to vote?

Have you moved since the 2018 election?

Elections Ontario has a very convenient online tool to help you make sure that you are registered to vote, it's called **e-Registration**.

The **e-Registration** tool can be used to update your address if you have moved since 2018 and can provide you with accurate details on where to vote during advanced polls or on Election Day. It can also be used to remove a deceased person from the register.

If you have turned 18 since the last election or will be a first time voter this June, you can use the **e-Registration** tool to make sure you are registered to vote. To make a change to your information or to register, you will need identification that shows your name and address. You can access the **e-Registration** at:
