AUGUST 2022

No more DAWN PATROL

by Dolby Gordon

If your parent worked for Falconbridge Nickel Mines there is a very high chance you spent either July or August on Nelson Lake at Falcona Camp! Falcona was built in 1937, a dream of, then, FNM President Ernie Craig, for the children of the miners and staff.

In the early 90's Xstrata (formerly F.N.M.) transferred the camp to the Y.M.C.A. which ran it for 20 years before closing it up permanently. For the past few years the buildings sat on the shoreline, unused, unkept. If you were lucky enough to boat on by you could feel the memories and hear the laughter and song of the campers.

I was lucky enough to spend every August at our beloved Falcona from 1972-1978 . In the earlier years, the boys went in July and the girls went in August. It changed in later years to a mixed camp and then eventually just a day camp.

In July of 2022 Glencore (formerly Xstrata and the owners of the property) commissioned Day Construction to go in and clean off the land. All the old buildings were demolished and removed. It felt bittersweet to see the empty space but it was necessary. The buildings were no longer of any use and the sight of them was taking away from a beautiful Nelson Lake Shoreline.

The sketch above was done by Bob Michelutti of Sudbury. In 1983 Mr Michelutti was a Superintendent with FNM and was asked to do a series of sketches as retirement gifts to employees. This sketch encompasses all that was Falcona..The Lodge, Totem Pole, Canoes , Dock, Diving/Senior Swim platform and The Falcon III.

AUGUST 2022
WITH ELLARD

Condolences to the family and friends of Violet Brown, George Caldbick, Joyce Chisolm, Al Hembruff, Maurice Lamoureux, Marilyn Robillard, Rick Schaak, Martin Nowoselsky and Ray Simard

The OFCAN committee is doing a fantastic job promoting our communities. Our rec committee has sports and arts programs along with other community projects. The Maple Crest Cemetary is well maintained and the A.Y. Jackson site is very popular with our Recreation committees summer program. Hopeful our new residents are getting involved. They certainly can use a helping hand.

So, here we are halfway through summer already!
Have your started your summer To Do list?

The plants should be flowering, the grass needs cutting and the garden needs weeding. The fish should be biting (like the mosquitos) the kids should be driving you crazy (1 month to go). Keep smiling. Time to get in shape for Tri Sport in September!

Housing market is still crazy! Who would have thought a house in Onaping Falls would sell for well over \$300,000? I was driving into Dowling a few days ago behind a huge paint truck.. Wow weeee..the City is finally going to repaint the Dowling water tow^e 😞 Oooops! It drove right past! Oh well..back to the To Do list!

International Friendship day was July 30th ..I hope you hugged a friend!

International Mosquito Day is August 20th

LION'S YARD SALE

Another huge success!

Thank you to everyone that came out to support our Giant Yard sale July 19-24. It was an eventful week as we watched the weather forecast. The rain held off for most days but that did not stop our tireless Lions from setting up and selling at our sale.

We are very blessed to have such devoted Lions within our Club. Each and everyone works hard to make our events successful and fun for everyone. We thank our non-Lion members who came out to help us also!

A GIANT ROAR (biggest Thank You of all) goes out to Roger's Valumart in Dowling for sharing the garden centre space with us! Roger and Nancy's support to our community is very much appreciated.

No more DAWN PATROL

continued... *by Dolly Gordon*

Falcona Camp ran for 80 plus years. The memories of so many youth summers spent along with a lifetime of friendships. My 'summer' friends only lived in Falconbridge but the only time I ever got to see them was in August at camp. 42 years later I still speak to these friends and still call them by the nickname I gave them all those years ago.

I don't know what will become of the property. I have dreams, like Mr. Craig did in 1937, that it could become a summer camp for children once again. Or a family style resort. (with a massive price reduction for mining employees just like the old days). As our world changes programs like Falcona are needed more than ever. Every summer I sang songs, danced in a circle, raised the flag, sang The National Anthem, enjoyed archery, hiked trails, swam in a beautiful clean lake, got care packages from home, earned tuck, stood for role call, ate in a mess hall, made new friends, carved totem poles, painted paddles, canoed, took saunas, told scary stories in a boat house...the list goes on. The buildings may not be there but the land...the precious land that Falcona stood for over 80 years holds memories no one could ever take away.

What is Dawn Patrol you ask? Every morning, bright and early the Falcona Camp Headmaster would stand by the waters edge and bellow Dawn Patrol. If you were in a Senior cabin that meant you had to spring out of bed, get on your swimsuit and run and jump in the lake! If you were in a Junior cabin it just meant it was time to wake up! Soon after the breakfast bell in the mess hall would ring and every camper would make their way down to breakfast!
