December News

Cross Country Skiing and Snowshoeing will be some of the safest, most enjoyable and most accessible outdoor activities this winter for people of all ages and especially families needing to get outside.

Our Club will be operating both skiing and snowshoeing this winter out of the Chalet at Windy Lake Provincial Park under strict Covid-19 protocols.

Those who wish to become members please register at zone4.ca. Day Passes for skiing and snowshoeing can be purchased at the Windy Lake Motel any day or the Chalet on weekdays and holidays. Rental equipment will be available at the chalet but there will be no snacks or drinks sold at the concession. The Chalet can only accept cash or cheque. No debit or credit is available in the Chalet.

Due to COVID we are unable to run our Bunnyrabbit/Jackrabbit program this year. However we are going to offer free rental equipment to children 13 years and under who are registered members along with at least one other adult family member each Saturday on a first come, first serve basis. There will likely be 2 rental periods from 10am to 12noon and 1pm to 3pm.

Children must be accompanied at all times on the trails and in the Chalet and Washrooms by an adult.

Information on fees for memberships, day passes and rentals can be found on our website onapingfallsnordics.com. Follow us and watch for updates on COVID protocols and Chalet openings on our Facebook page.

Chapped Face season is here!

Helpful tips for chapped faces, lips and noses

For kids, a chapped nose and lips can be very painful during the winter. Now, with our masks and the heat from our breath their little faces will suffer. Here are a few ways to help your child's chapping.

- ◆ Petroleum jelly a.k.a. Vaseline rubbed on the chapped areas before bed. Just use a very light application and gently rub it in. Use on lips and nose also.
- ◆ Moisturizing lotion (Aveeno makes non scented products) Apply a light barrier. In the morning, before a mask, let it dry thoroughly. Before bed also..
- ◆ As long as the weather is cold chapping will happen. It can happen on a daily basis so please continue to protect your child's skin daily. Invest in a child's moisturizer. Adult moisturizers can be too heavy and cause blemished skin.

The above information works for adults also. Take care of yourself!

Beacon Canada Kicks off Nationwide Beacon of Hope Contest to Support Veterans

The public is encouraged to nominate a deserving veteran now through December 7th

MONTREAL, QC—November 2, 2020— [Beacon](#) announced today the launch of its first annual [Beacon of Hope](#) contest, a nationwide contest awarding deserving veteran homeowners with safe roofs. As part of Beacon's giving back to its communities, the contest is open to all military veterans, provided they have received an honourable or general discharge. The public can nominate a deserving veteran now through December 7th by visiting the [Beacon of Hope website](#). Beacon is teaming up with veteran-friendly roofing companies to deliver and install all necessary roof repairs/replacement to one veteran home, and three runners-up will receive \$2,500 CAD to help complete necessary repairs.

"We're proud to honour Canadian veterans who have given so much to their country by launching this *Beacon of Hope* contest," said Charles Michaud, VP of Canada. "Too many of our nation's veterans face difficult hardships following their service, having a safe place to live shouldn't be one of them. It is our privilege to give back to our veterans and their families."

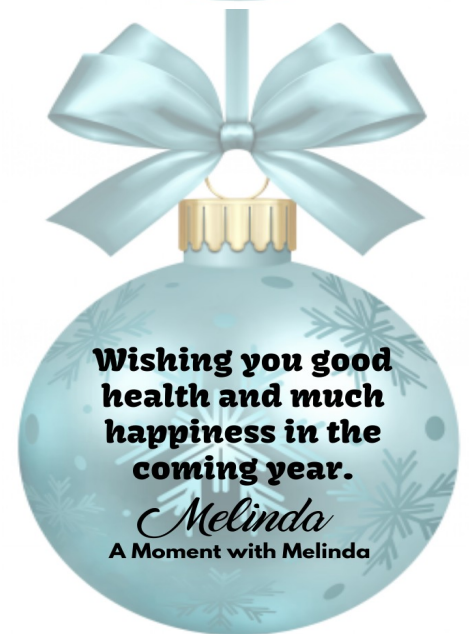

From November 2nd through December 7th, the public can nominate a Canadian veteran facing adversity at go.becn.com/BeaconOfHopeCanada or submit an e-mail to beaconofhopecanada@becn.com. Nominations must include one photo of the veteran and three photos of their home, along with a short bio of the veteran, which includes their military branch, years of service and why the nominee is deserving of a new roof.

Ten finalists will be announced in December, and the public will have an opportunity to vote for their favourite finalists. Beacon will announce the winner and runners-up in January 2021.

To learn more about the Beacon of Hope contest and read the official contest rules, visit go.becn.com/BeaconOfHopeCanada.

Finally, the magic month "December". We put our frets and worries on the back shelf, smiling, lots to be done. Decorate the house/yard, need to get gifts, prepare for that special dinner, children admiring the Christmas tree wondering 'What will Santa bring?'. Everyone wishing for a White Christmas.

Memories of a Company Town

Falconbridge Nickel Mines

They gave all their employees turkeys.
Now it's \$100.

Childrens parties at the Onaping Community Centre. Every mine site was taken out for dinner. Being Santa at many dinner parties was great fun. I 'borrowed' Norm Christians horse for a sleigh parade through the community visiting homes (scared some children...right Melinda?) Years later groups decorated trucks and trailers with hay and and paraded the communtiy with Mrs. Santa too! A 'must' was a visit to Valley Road in Levack to see the great decorations, drinks, hot chocolate and chats with Santa. The two churches had musical evenings with outside choirs and I always enjoyed the Legion breakfasts.

Hello, Santa Here!

We're very busy here at the North Pole getting everything ready for Christmas. I've been through my lists and I am pleased to say that you all have been very good this year. Well, some of you might need to start behaving. You know who you are! Christmas is only a few weeks away. I have checked my list once but I am going to check it twice!

Now things are a little different in the world this year and a few of you have been wondering if it will be safe for me to come to your houses like I normally do. But I don't want you to worry. Myself, Mrs. Claus and all the elves have been staying home and we are going to be extra careful when dropping off all of your presents. If you want you can fill out our Elf & Safety Questionnaire to be sure things are safe.

Well, that is all from me. Carry on and get your Santa List done so I know what you want!

WINTER WONDERLAND on VALLEY ROAD

by Carrie Morin

Around Christmas time everyone in Levack knows to walk down to Valley Road to see the amazing Christmas lights on display. It is a true Winter Wonderland especially with fresh fallen snow and the spirit of Christmas in the air.

Mr. Ray Parker and Mrs. Joan Parker have kept a tradition of their Christmas light display for over 45 years. From September to late November you can see Ray & Joan working outside on the display. Their goal is to have the display complete by the time the annual Telethon comes along the first Saturday in December. The less snow, the better for setting up but once it is finished, bring on the white stuff for our very own 'Christmas Street' in Levack.

The Parker's light display ranges from old-fashioned to the modern, from the antique snowman to the new LED-lights that light up the rooftop to the giant snowflake on the telephone poll that the Levack Fire Department still comes to help put up. You can see the dedication they have to this display with every detail from the layout to the imagination it takes to create this Christmas feast for the eyes every year.

Joan learned first-hand the art of outdoor Christmas decorating from her father when she was a little girl. Then along came Ray who took up the mantle for their family home.

In 1996, the Valley Road residents began an annual Christmas street party for the community in December. I remember these parties with the hot chocolate served from an ice hut, the hot dogs, bonfires for roasting marshmallows, the free gifts for every child, the Christmas music, costumed characters like Frosty and the Fire department who organized wagon rides. Many do not realize that it was the Parker's who were the organizers of the annual Christmas street party. They got their neighbours involved and encouraged them to decorate their homes and year after year Valley Road grew into Christmas Street. The last party was in 2010. Neighbours and friends moved away and times changed.

Their passion and commitment to our community did not stop with their Christmas display. The Parkers moved to Valley Road in 1973. Ray worked for Inco and Joan was a nurse at the General Hospital. Ray coached the Onaping Falls Bantam Huskies in the 70's and Ringuette in the 80's. He also served three terms on the Onaping Falls Town Council for Levack Ward. In the middle of all that, they had a daughter, Cathy, who now resides in Scarborough with her family.

The residents of Levack and all of Onaping Falls want to Thank Mr. & Mrs. Parker for their continues devotion to brightening our little town with their amazing Christmas display every year. The community spirit that you have shared with us all these years is truly wonderful.

We hope to enjoy your WINTER WONDERLAND for many more years to come!

Photos will be displayed on Facebook !! The Black and White of the OFN does not do them justice! Keep posted!
