CHARTWELL MEADOWBROOK RETIREMENT COMMUNITY

OPEN NOW!!!

We are excited to share that we will be adding three-storeys of new independent supportive living suites with contemporary one-bedroom layouts to the northwest side of our retirement residence! Additionally, the new wing of our community will feature brand-new amenities that all residents can benefit from, including a welcoming fireplace lounge, bistro for snacks and beverages, and a lovely outdoor terrace.

This new expansion will also include the construction of 14 townhomes available for rent, located along the eastern edge of our property. Ideally suited for independent and active individuals, these two-bedroom townhomes will offer older adults who are looking to downsize with the freedom to continue to cook and manage their own household, as well as the benefits of 24-hour security, housekeeping services and all social and leisure opportunities in our retirement residence.

New Cenotaph Unveiling

On November 11th we were proud to unveil our new cenotaph. This is our second cenotaph at our Branch location. The first one was originally from downtown Levack after a new one was put up. The names on our cenotaph are of the brave men from Levack who gave their lives in World War II.

Dedicated to the war dead of Levack during the second World War this memorial was erected by the Royal Canadian Legion, Branch 503 in the 1960's.

It was removed in 2021 and the plaque was restored to be used on the new cenotaph.

The new cenotaph was funded by Veterans's Affairs and Branch 503.

Pictured below from left to right are Lucie Kearsey, Wayne Dane, Joanne Martel, Kathy Moggy, John Getchell MB, Councillor Gerry Montpellier, M.P. Marc Serre, Sharon Getchell, M.P.P. France Gelin, Patricia Lewis, George Paterson, Sandy Spencely (Piper), Sharleen Sissons, Doug Moggy and Ken Faubert.

A Christmas Message from Reverend Peverley

So this is Christmas! These are the first words of a song on my favourite cd by Tom Jackson. But it isn't Christmas yet!
As I write this, we are approaching the First Sunday of Advent, the Sunday when we look, with Hope to all
that the celebration of the birth of Jesus Christ means to Christians today.

I see many posts on social media regarding those who say "Happy Holidays" rather than "Merry Christmas" - most of them decrying the generic first greeting. But, here's the thing - we, as Christians are not the only folks celebrating our faith at this time of year. Hanukkah begins the same day as we mark Advent One this year. Kwanzaa, which is a seven day cultural holiday begun in parts of Africa to celebrate the harvest, begins on December 26th this year. There are years when more religious celebrations take place in December. Sometimes, we as Christians, think we have cornered the market when it comes to celebrating our faith. As far as I can see, we all recognize the same God. It's just our stories are a bit different.

We have been going through quite a time these past twenty two months. We want things to go back to 'normal', whatever that is. We want our carols and our parades and breakfast with Santa and our Christmas craft sales.
We want our traditional Christmas back.

Let's remember though, that Christmas is about so much more than carols and parades and craft sales.
Advent is the time when we wait, with eager anticipation for Christmas, for the birthday of Jesus Christ.
Christmas - when God was manifested in the body of a young child, an infant.
An infant that would change the world as he knew it and change the world as we know it now.

May the blessings of God be with you - each and every one, and remember, you are not alone.
Have a blessed Christmas!
