WELCOME OOKPIK 2.0

by Dolly Gordon

After 50 years our old OOKPIK, the mascot of the DOWLING WINTER CARNIVAL, has been replaced with a new OOKPIK. OOKPIK 2.0 will be visiting all of the events of the Winter Carnival this year.

OOKPIK 2.0

A few years back the Onaping Falls Recreation Committee decided we needed to replace our mascots. Ookpik was very heavy and had seen better days and our Bonhomme Carnival was due for a face lift.

New mascots are very expensive so for the past 5 years a few dollars were saved from each of their events and put into a Mascot Fund.

Last May they commissioned Maydwell Mascots to create a new Ookpik.

Come on out to the Carnival February 3rd thru 5th and meet your new OOKPIK!

There are so many fun things to do for everyone.

OOKPIK was originally introduced to the Dowling Winter Carnival in 1972

OOKPIK helping Onaping Falls 1st Mayor I.J. Coady cut the ribbon for Opening Ceremonies of the Dowling Winter Carnival (1973?) with the Mayors wife Simone looking on!

Did you know you should not be billed for OHIP covered services?

Many people have questions when they are charged for services by a doctor or surgeon and are unsure if the charges are allowed. Under provincial legislation, patients are not to be billed extra for OHIP covered services, to jump a queue or charged block or annual fees to restrict access to insured services. For more information, visit:

health.gov.on.ca/en/public/programs/ohip/cfma.aspx

If you have questions about the fees charged by a doctor or surgeon, contact or visit the Patient & Public Help Centre at the College of Physicians and Surgeons of Ontario.

FEBRUARY 2023
WITH ELLARD

Condolences to the family and friends of Wayne Brouse,
Barbara Dagg, Betty Leschishin, Ian McDonald
and Bob Slade

I notice a lot of delivery vans in our area which is a result of the more convenient online shopping that has taken over the world.

I visited Melinda Mott the other day, she is residing in St. Gabes Villa in Chelmsford if anyone wants to stop by and say HI!

On another note...as an FYI to newcomers in the community. Most homes and recreational facilities for Levack and Onaping were built by Inco (now Vale) and Falconbridge (now Glencore) for their employees with reasonable rental fees. Each company had their own employees maintaining the homes and yards with rigid rules. The drawback was that if you retired or were terminated you were forced to leave your dwelling. These people took pride in maintaining their yards and homes.

The Government forced our amalgamation which made the companies get out of real estate and the sold the homes for reasonable prices. Nowadays it seems the residents do not have the same concerns!

There seems to be quite a few Celebrations of Life lately. It's hard to understand but I guess we must maintain our faith at all costs.

February has Winter Carnival, Valentine's day and family Day. Be sure to take advantage of the local activities that are well organized and active!
