CHARTWELL MEADOWBROOK RETIREMENT COMMUNITY EXPANSION OPENING IN 2020

We are excited to share that we will be adding three-storeys of new independent supportive living suites with contemporary one-bedroom layouts to the northwest side of our retirement residence! Additionally, the new wing of our community will feature brand-new amenities that all residents can benefit from, including a welcoming fireplace lounge, bistro for snacks and beverages, and a lovely outdoor terrace.

This new expansion will also include the construction of 14 townhomes available for rent, located along the eastern edge of our property. Ideally suited for independent and active individuals, these two-bedroom townhomes will offer older adults who are looking to downsize with the freedom to continue to cook and manage their own household, as well as the benefits of 24-hour security, housekeeping services and all social and leisure opportunities in our retirement residence.

Huskies Hockey Update

January 2021 by Carrie Morin

The Huskies are back this season! Practices began on October 13th and games started the beginning of November. Our teams have been going strong since. Covid19 restrictions were put in place by the City of Greater Sudbury in order for the arenas to be opened to users. The City's restrictions are understandable and we are all coping well with them.

Despite all of these rules to keep the players safe from the Northern Ontario Hockey Association, Hockey Canada and the City of Greater Sudbury, our Huskie parents and players are thriving. We have a total of 71 players registered this year with Initiation, Novice, Atom, Peewee and Bantam teams on the ice.

There are changes to the game play for our Huskies this year due to COVID-19 restrictions. Teams will be allowed to have a maximum of 10 players each with 9 players and 1 goalie and any league is limited to 50 players, therefore, we have teamed up with Rayside-Balfour Minor Hockey for our league. This will keep our players in one cohort. Games will also be played as 3-on-3 competition with two 22-minute periods, non-stop time. Because of the 10-player regulation, we have two Novice teams and two Peewee teams. Both teams are split in the Minor and Major categories. Meaning the second year players are on the Major team and the first year players are on the Minor team. However, the entire Novice and Peewee teams come together for their practices each week.

As for fans and spectators, the regulations are that only one person per player is allowed into the arena facility to be a spectator for a practice or game. Our numerous Huskies fans have had to keep up with our teams through the Onaping Falls Minor Hockey Association Facebook page as well some teams have begun to live-stream their games on Facebook.

O.F.M.H.A. has had two fundraisers so far this season. The first one was our Bottle Drive on October 17th. A HUGE thank you to all of Onaping Falls who supported our Bottle Drive! And thank you to the volunteers who helped sort, haul and drop-off the empties! It was a great success and so much fun. We raised \$ 2,670 for the Association.

Our second fundraiser we just completed, the Little Caesars Pizza Kit sales, our final total raised was \$ 3,060. Both of these fundraisers are replacing our annual event which usually takes place in November. In previous years, it was the Yuk Yuk's Comedy Night and last year it was a Halloween Dance.

Our community fundraisers are crucial this season as fundraising events are limited due to COVID-19.

Keep a look out for our next fundraiser...

Community Heart & Soul

A little bit about....

Shirley Mirka

by Jana Niemi –Lahnalampi

Wow! Where does one start to share the involvement of such a high achieving person? I am truly at a loss as to where to begin. **Shirley Ann Mirka, nee Shea, was born in 1939, in Glace Bay, Cape Breton.** Her family, including twin sister Bernice, moved to Onaping when she was 15 years old, and attended LDHS. She married the love of her life, Gene Mirka, in 1960.

Shirley went on to Laurentian University, graduating with a double major in English and Political Science. A life long learner, she holds numerous other qualifications. She is a Certified Transactional Analyst, pastoral counsellor and a trained life coach. While Shirley is best known for her role at our local Council Level, she also served as a Counsellor, Counsellor at large, Deputy Mayor and Mayor, as well as the Regional representative, through the years of 1979-1995.

Shirley's volunteer involvement is varied and extensive to say the least. Musically, she was a member and director of St. Bartholomew's choir for 20 years; she belonged to the Bel Canto Choir, Onaping Falls Cantata Choir and Just Friends Choir. Her commitment to social justice saw her become an original member of "Save the Boat People Committee" for 3 years after the Vietnam War, where she served as director (who knew?). She was an original member of both Onaping Food Bank back in the early 60s and the Red Cross Transportation Committee. Shirley's political activism saw her act as a coordinator for the NDP during elections. Locally, she was involved in the Art Club and TOPS club serving terms as president. Shirley committed herself to our recreational facilities, being a member of the Curling Club and Cross Country Ski Club for 25 years each! Her efforts have been recognized through a number of awards: "Lifetime Member of the New Democratic Party", "Honorary Member of the Boy Scouts of Canada" and "The Queen's Diamond Jubilee Medal".

However, Shirley didn't get involved for the rewards or accolades. She in fact, believes that **"you always get back more than what you give."** While she realizes that volunteering does take time, energy and commitment, it does **"open your mind to what is happening and what is needed in your community"**. She believes that community involvement helps develop who you are and gives her a sense of direction and deep sense of pride.

Her commitment to community service was inspired by two community leaders: her father Sergeant Major James Shea who trained troops, along with the Father of Medicare Tommy Douglas. She views her years of volunteering fondly through the lifelong friendships that developed and the successful completion of projects both large and small.

Today Mrs. Mirka lives in Lively and continues to keep busy walking, swimming and Cape Breton Step Dancing. While her beloved Gene passed away in 2017, she continues to take pride in the accomplishments of her children and grandchildren. Her varied interests and passion for education shine through her grandchildren's post-secondary educational pursuits.

Her legacy of community service is awe inspiring. What will your legacy be?
