## Help Save the Lords Creek Bridge

It seems the Ministry of Transportation would like to destroy this beautiful landmark instead of repairing it!

Please send an email to [Ray.Marshall@ontario.ca](mailto:Ray.Marshall@ontario.ca) or call the Sudbury MTO office at 705-564-7722 and see if you can reach Mr. Marshall .

Below is al letter written to Mr. Marshall from a former Onaping Falls resident Mr. Ernie Hodgson.

Ministry of Transportantion Ontario  
via email:[Ray.Marshall@ontario.ca](mailto:Ray.Marshall@ontario.ca)  
Dear Mr. Marshall:

I am writing to you concerning the future of the stone railway bridge just off Highway 144, south of the CPR tracks near the Windy Lake Provincial Park. (see photo).

Kristin Franks of MTO describes it as a "culvert". It is in fact a beautiful stone arched bridge over the lovely Lord's Creek which flows over a pretty waterfall into Windy Lake. It once supported the original railway through this area.

I don't know of any other like it that are as accessible. There are so few architectural or engineering structures of historical value in the area. This bridge should be preserved.

All it needs is a little re-pointing of the mortar joints.

Let's make it a tourist attraction. Some signage on Highway 144 directing visitors to an improved access road and a parking area with the north-side view is desirable.

I am asking you to help preserve this rare part of Ontario's Railway History.

Ernest Hodgson

## Community Volunteer Recognition Awards 2019

Volunteers in Nickel Belt shape their communities in a positive way. In recognition of their contributions and their dedicated work, **Nickel Belt MP Marc Serré hosted the third annual Community Volunteer Recognition awards to honour 22 Nickel Belt- Greater Sudbury residents.**

Building upon the success of previous MP Volunteer Recognition Awards, MP Serré felt it was important to continue acknowledging the selfless acts of many which all too often go unrecognized. The influx of nominations further validates just how much the collaborative efforts of volunteers impacts local organizations and the lives of individuals they seek to help.

“The ongoing efforts of our volunteers makes Nickel Belt/Greater Sudbury such a wonderful place to live. The community volunteer pin is a symbol of unity, solidarity and inclusion which are fundamental values that are deeply rooted within our communities and drive us to work together for the betterment of the place we proudly call home. Thank you to the nominators who took the time to write in and showcase all the good this year’s recipients have done! Great job to all volunteers in our region- we stand to learn a lot from you!” – **MP Nickel Belt Marc Serré.**

### In memory of Lion Larry Gauthier

ONAPING FALLS LIONS CLUB

In the year of our 50th Charter Lion Larry introduced a complimentary spaghetti dinner to our community to thank them for their support through the years. Unfortunately Lion Larry passed away later due to lung cancer. Our club decided to continue this event in his honour.

Our community is very generous with their donations which have made it possible each year to give to a worthy cause. This year we chose to make and donate blankets to special people who are having chemo. We were very proud to donate 25 blankets made by our Lions and Leos members.

## Healthy Living with Danika

Typically with the heat of the summer, we tend to crave light, fresh food that help us feel vibrant. This month, I thought I would change things up a little by sharing one of my favourite go-to recipes during the summer.

This mango salsa is the perfect mix of sweet and spicy. It's also ideal as a topping for fish tacos, decadent burgers or even on its own, as a snack accompanied by tortilla chips. It adds a beautiful, summer-y pop to your dishes!

**Ingredients:** - 2 ripe mangos – diced, 1 small red onion - peeled and diced, 1 red bell pepper – seeded and diced, ½ jalapeño pepper – seeded and diced (feel free to adjust to your heat preference), ¼ cup of fresh cilantro – finely chopped, juice from 1 fresh lime, salt and pepper to taste

**Instructions:** Combine and mix all chopped ingredients in a bowl. Add the juice of a lime along with salt and pepper, according to your desired seasoning level.

*Refrigerate for 30 minutes and serve.*

**That's it!** An incredibly easy recipe that can accompany plenty of your summer meals. You can also mix it up by adding a few of your other favourite produce, such as cucumbers or avocados. Enjoy everyone!:) *Danika*

But, before we leave our School News for the summer we would like to share a very personal award to me and my Co-Editor, Samantha Brazeau -Wilson. The Debbie Wilson Reader Award presented to Larchwood Public School Students. Mrs. Debbie Wilson was my sister and Samantha Grandmother.

After Deb's passing in 2011 her husband created a monetary award in her name ' The Debbie Wilson Reading Award'. If you knew Deb you knew she was very passionate about reading and books...books and more books. She was also passionate about her students. She would be so very proud to see these beautiful young faces receiving 'her' award. In the photo below is Miss Alexis Rattu. Alexis has just finished Grade 2 at Larchwood Public School. Alexis has many favourite books but loves to read about animals. (Mrs. Wilson taught Alexis's father a few years back.) Her 'amazing' teachers this year were Mrs. Noel and Mrs. Garbutt (Good job Joanne and Karen ) I know Deb is smiling down on you gals too! Outside of the school there is a marble plaque in honour of Mrs. Wilson. She was a very special teacher and loved her Larchwood students and was always proud of her students for trying their best.

# Visit the A.Y. Jackson Lookout!

With thanks to the Canada Summers Jobs program and our local M.P. Marc Serre we have received funding for 5 student jobs at the A.Y. Jackson Lookout as tourist liaisons for 9 weeks starting July 3rd, 2019.

The students, who are named the 'A.Y. Jackson 5' will be on duty from 9am to 8pm Wednesday thru Sunday. Their daily tasks are to maintain the 3 lookouts and shelter area, greet and speak to all Lookout visitors, hand out pamphlets promoting Greater Sudbury Tourism and the local area of Onaping Falls.

Programs will be held twice weekly inviting children and seniors to attend. Weekly programs will include 'Rock Talk, High Falls River Sketching, Rock Painting and a few other fun ideas to get you out to the Lookout and enjoy its beauty.

A big THANK You to the team at NORCAT and trainer, Dayle Chechetto for training all of our students for 2 days on many important facets of the workplace!

Information will be available and a tentative lecture on famed artist A.Y. Jackson and the story of the Group of Seven is in the works. The group organizing the students, Onaping Falls Recreation Committee, hopes to educate visitors on the background of High Falls, the rock formations and the valued mineral deposits it holds.

Keep your eye out for the bright yellow t~shirts and our A.Y. Jackson 5 students! They will be happy to help you!

Fun stuff found on  
Facebook

I so enjoy creating the Onaping Falls News...there are so many reasons. The story below is one of the reasons. I received a message via Facebook from a stranger. And now it becomes an Onaping Falls News Story!

Here is the message from John Snell from Calgary:

**'I visited Onaping Falls once some time ago and was reminded of the beauty of the falls by a photo. I have tried to capture some of the spirit of the town and the people. Because the Falls are prominent in the place and the name they represent continuance not an end, hence "she falls" and will continue to do so.'**

The photo included was taken by John's cousin, Sudbury Photographer Jim King-Seguin, the inspiration for John's poem .

### She falls

A company town on a  
meteorite strike in shield  
country, under borealis light.

Iron water on a nickel  
landscape all rocks and drops,  
a hundred and fifty feet down.

Under Jackson's brush,  
She falls.

"Joe, bring the canoe.  
We'll find the deep water and  
where she falls."

"Yer mad "he says, the canoe at the  
ready, "its all ledges, rocks and drops  
a hundred and fifty feet down."

She falls.

Company town, on a  
meteorite strike.

She falls
