ONAPING FALLS NEWS

*The Onaping Falls Lions Club is very pleased to announce that one of our own has achieved a very special milestone and we would like to invite the whole community in congratulating her as we could not be prouder.*

Lion **Carmen Portelance**, you have called the Onaping Falls Lions Club home now for over 15 years. You have held many positions in the club, including President. While staying very active in this community, with the many events and projects put on by our club, you also took on the position of A5 District Zone Chair, then 2<sup>nd</sup> Vice President, then 1<sup>st</sup> Vice President and now officially, as of **July 1<sup>st</sup>, 2021**, "**A5 District Governor**".

It is hard to find someone who puts their whole heart into everything they do. You are one of them. With the amount of love, passion and dedication you show towards your work, it is no wonder why you have been able to reach this goal. You should be very proud of yourself.

This new chapter will allow you to share your knowledge, inspire others and **guide 51 Lions Clubs within this vast district of Northern Ontario.** Big task but we know you're up for the challenge! Congratulations on your achievement of becoming **A5 District Governor** and many wishes for your continued success!!

***A big lion's roar goes out to you Carmen!!!***

## COMMUNITY TIPS WITH GUY

### MOSQUITOS in your house?

Having way too many mosquitos in the house during the overnight hours?

No holes in your screens? All doors sealed?

You may want to put a light, breathable filter/screen over the intakes! Using a thin air filter or, ideally, no-see-um screen is the best way to keep out the pests at night. Keep in mind it has to be thin enough to let your air flow freely and you don't want your a/c system working harder!

### Ontario Patient Ombudsman Long Term Care Survey

Ontario's Patient Ombudsman wants to hear from people who were involved with a Long Term Care Home during the pandemic.

It is incredibly important for Ontario to learn from the experiences of the residents, family members, caregivers, and the staff of long-term care homes who were impacted by this crisis.

Please take the time to complete the anonymous COVID-19 Long Term Care Home Experience Survey; it should only take approximately 10 to 15 minutes.

You can find the survey online at the following website:

[www.Patientombudsman.ca/COVID-19/Long-Term-Care-Home-Complaints](http://www.Patientombudsman.ca/COVID-19/Long-Term-Care-Home-Complaints)

If you require assistance or accommodations to complete the survey, you can email [ltch\\_investigation@patientombudsman.ca](mailto:ltch_investigation@patientombudsman.ca)

or call toll free **1-888-321-0339, Ext 1960**

The results of the survey will be shared in the fall of 2021.

Hello,

We are pleased to announce that our consultation on the future of remembrance is now live.

As Canada's Veterans evolve, so too should the ways we commemorate them. Earlier this year, we introduced our broadened approach to commemoration that aims to recognize all those who have served our country in uniform, here at home and around the world.

How do you think we should recognize and commemorate those who served in Canada's military, peacekeeping and humanitarian missions over the next decade?

Starting today, we invite Veterans, their families and all Canadians to share their thoughts on this important topic through our online consultation on the future of remembrance.

**[www.letstalkveterans.ca](http://www.letstalkveterans.ca)**

The online consultation is open June 18 to July 9, 2021. We encourage you to share this widely within your network.

Thank you!
