ONAPING FALLS NEWS

Thank you for 23 years of support!

from Mary Martel

It was nice to be a part of this community. I met a lot of honest, friendly people and made great connections over the years.

We knew each and everyone of our customers by name and it brought us joy to greet you, by name, when you came into the store.

We watched a lot of kids grow up and it always felt good when they would drive by the store on their bikes and wave and yell a big 'Hello Mary'.

Thank you to the people who helped me with things that were challenges to me but simple to them (team work).

Thanks to Chantelle, Dave, Ella for your support and to Austin for being my very last customer.

The Levack Mini Mart will now be run by the Dube family. They are a local family and will fit in nicely with our communitiy vibe.

Thank you for supprting us these last 23 years. You made us feel like family.

The Martels

Ron, Mary and Tiah

WASPS & HORNETS

Hang an artificial hornets nest to keep these nasty pests away from your home and yard. You can also use a brown paper bag!

This tricks the hornets to think there is a nest already around and since they don't like confrontation with other wasps/hornets they will take up residence elsewhere.

It has been a strange year for Churches – indeed for everyone. We have not worshipped in our church buildings in 2021. We miss seeing one another and singing together and gathering for our special Fundraising activities. Zoom Worship has helped a little and we are thankful for that.

We do not know yet when we can be together in-person yet. We are hopeful that June will bring changes in the restrictions. The Board will meet around the 15th of June to make a decision, based on situations at that time.

Of course volunteers are still responsible for caring for our buildings and the expenses for the Churches continue every week. Givings are welcomed by mail at St. John's and at Hopkins' in Dowling.

Please remember your Church in your life of giving as well as in prayer.

JUNE 2021
WITH ELLARD

Condolences to the families of John Doiron, Frances Durocher, Anita Niemela and Myron Didur.

'KUDOS" to France Gelinat for bringing a motion to the Government floor to get the Auditor General to investigate the Laurentian University scandal. Everyone wonders why there is no investigation. Who was to blame for this deficit?

How come those involved are now the same people reorganizing this catastrophe?

Let's hope our politicians are aware of what happened in Mattawa when a long, established facility was shut down. The Mayor and Council got involved to rectify the situation.

Local outside towns need this support from the Mayor and our political leaders. Preserve our structures.

It's great to see playground equipment being utilized and the new Community Gardens at the Onaping Community Centre on stream.

CHARTWELL MEADOWBROOK RETIREMENT COMMUNITY

OPEN NOW!!!

We are excited to share that we will be adding three-storeys of new independent supportive living suites with contemporary one-bedroom layouts to the northwest side of our retirement residence! Additionally, the new wing of our community will feature brand-new amenities that all residents can benefit from, including a welcoming fireplace lounge, bistro for snacks and beverages, and a lovely outdoor terrace.

This new expansion will also include the construction of 14 townhomes available for rent, located along the eastern edge of our property. Ideally suited for independent and active individuals, these two-bedroom townhomes will offer older adults who are looking to downsize with the freedom to continue to cook and manage their own household, as well as the benefits of 24-hour security, housekeeping services and all social and leisure opportunities in our retirement residence.
