# What the internet taught me

## ***What is LENT??*** by Dolly Gordon

**Lent is** the period of 40 days which comes before Easter on the Christian calendar. Beginning on Ash Wednesday (this year February 26th), **Lent is** a season of reflection and preparation before the celebrations of Easter. Traditionally Lent ends 3 days before Easter.

Most people give up a favourite food product or beverage during Lent, and many Catholics still abstain from meat on Lenten Fridays. Others may give up something they enjoy or something that distracts them from reflection like video games, television, or even social media.

'Lent' is a shortened version of the Old English word 'lencten', a word which simply means spring (in relation to the season). Seems likely to have been used to describe the season when the days began to lengthen, signifying new life and renewal. Over time, the word Lent came to be linked specifically to the Christian tradition of fasting before Easter, which always coincided with the spring."

For me, the point isn't really about what exactly I give up or what I choose to do differently. It's about forcing myself to make new habits. **SPRING** is the season of rebirth and re growth.... I feel that Springtime or 'Lent' for some, is a better time to make new year resolution. Looking forward to warmer temperatures and longer sunshine. The rebirth of flowers, trees and grass lighten the soul.

I don't know about you, but I often need refocusing. I have to purge distractions and force awareness of what is important. Life gets crazy. All of us have family responsibilities, work duties, and everyday life tasks. We become so wrapped up in the *right now*, that we need to be reminded to take time for ourselves.

Participating in Lent is a personal choice and you don't have to be religious to take 40 days and challenge yourself but it may be an awakening for you!

Hello,

If you have a physical disability or a medical condition, the **Assistive Devices Program** can help pay for part of the equipment and supplies that you may need.

Customized equipment, like wheelchairs, hearing aids, home oxygen or specialized supplies, such as those used with ostomies, are just a few of the things that are covered by this program.

If you are an Ontario resident, have a valid Ontario health card and have a disability requiring the equipment or supplies for six months or longer, you may qualify. You must apply in order to qualify to receive the financial help this program offers.

The **Assistive Devices Program** covers **75%** of the cost for your equipment or your supplies. These items are billed directly by the supplier and you only pay for **25%** of the cost of the item. In some cases, you receive a series of payments throughout the year to help cover the cost of supplies.

To learn more about this program, you can visit the [website](#) or call **1-800-268-6021**. You can also call us and we would be happy to help you.

Until next month....

## Russell Beaudry Outdoor Rink

The Onaping outdoor rink will be open for use over the March Break, weather permitting!

The shack will be open from 10 o'clock am until 9 o'clock pm all week, and may be open later if the ice is being used.

If the lights are not on they can be turned on using the button on the exterior of the shack.

Please mind the signs – the rink will only be closed if absolutely necessary to protect skaters or the ice surface.

We are still looking for volunteers for this season or next to help with rink maintenance and snow clearing – if interested please contact Regan Picotte at (705)919-0312 or email [rbneighbourhoodassociation@gmail.com](mailto:rbneighbourhoodassociation@gmail.com)

## Dr. Kealy's Retirement

March 31,2020

There has been some concern and discussion in recent weeks around the subject of Dr. Walter Kealy's retirement, and how it would affect his patients and what they would need to 'do' to ensure continued good medical care.

Apparently there was no such concern needed as the situation has been very well handled for us all. I would like to express my personal appreciation to everyone involved in this smooth, compassionate and easy transition.

Dr. Kealy, Dr. Laski, their staff, along with medical staff at Land o' Lakes Medical Centre in Chelmsford, and the folks at Levack Pharmacy have been most professional and caring during this time.

The entire process to date (and I'm sure ongoing) has been and will continue to be very well handled and particularly well publicized to us all.

The personal letter and phone call from Dr. Kealy has been most appreciated by his patients; it was yet another example of his caring and gracious handling of any situation.

Dr. Kealy's receptionist, Renee has been hired by the Chelmsford Medical Centre, which will be an asset to everyone there, a well known smile for folks transferring there from here.

Thank you Dr. Kealy for many years of concern, caring and advice; you will be missed, but we wish you many happy years of retirement, wherever it takes you.

Thank you Dr. Laski, Barb and all the folks at Levack Pharmacy for your part in making this experience so pleasant, simple and understandable.

*Sincerely, Christine Allen*

## Huskies Hockey! Congratulations to the Novice Huskies! They took February tournaments by storm!

On the February 2nd they were Champs in the Valley East Novice Tournament . Then travelling to Verner the following weekend and bringing home the Verner Bulls Cup. The nail biting, final game, score was 5-4.

The MVP's for the Verner Bulls Cup weekend were Sam Jessup, Evan Sarazin, Cedrick Gagnon, Holden Oxley and the final game MVP went to Todd Landry.

This incredible team of young athletes is supported by amazing families and great coaches. Thank You to the Coaches that give their time to see these boys practice and play!

## CALLING 311

If you have any issues within your township that are of a concern to the Greater City of Sudbury you should be calling 311 to report it. Your call will then create an **A.C.R. or Active Citizen Request**, also sometimes referred to as a reference number. Your **A.C.R.** is then forwarded to the proper department.

**Always request your reference number so you can follow up. Do not share ACR's with your neighbours.  
Each resident should acquire an ACR of their own.**

Here is the important part of this message.....

**If you do not call the city to report the problem they will not know that we (our community) have the problem. The more calls received by residents the more action we will receive. And if no action is taken by the city and someone gets hurt or a property is damaged the negligence will fall upon them .**

Talking to your neighbour or complaining about things via social media will not get us the assistance we need.

### CALL 311

These matters include snow removal from our highways and side streets, garbage issues, etc. This can also include your opinion on our services such as the arena, pool, leisure centre, playgrounds, etc. There are many facets to our Greater Sudbury which include Parks and Recreation, Road Maintenance, Emergency Services, Senior Services, Housing and the list goes on.

If you see a problem or have an issue...

**The city promises, 'One City ~ One Service'**

**Don't hesitate to call 311 !**

# Community Consultation

It has been a few years but the consolidation of Chelmsford Public School and Chelmsford Valley District Composite School is finally happening!

Join us on **Tuesday, March 10th at 6:30pm** for an information session. Come and have a look at how the new school will look! So many great things are happening with this transition/consolidation you don't want to miss out!

CVDCS is currently being retrofitted to create a JK to 12 school offering JK to 8 (English and French Immersion) and Grades 9 to 12 (English Program)

The school will welcome French Immersion Students from Levack Public School and students from Larchwood Public School.

Come see what the new super school will look like!

It is an exciting time for all of us!

Chelmsford Public School will be consolidated into the newly renovated building on September 1st, 2020.
