A message from the Falls Food Executive

Though things are going well at Falls Food, we are finding it difficult to get volunteers for our opening days. Our hope is to get more folks for each of the positions in order to prevent burnout and to help take some 'jobs' off the Executive and Directors. It's getting harder each month to get people to sign up and we need to encourage new members to keep us going smoothly.

If you can spare 3 or 4 hours once a month to help out our less fortunate residents, and have some fun and maybe make a few new friends along the way, come out and see what we are all about and what keeps your food bank going. Join us on the 3rd or 4th Wednesday of any month
no experience necessary

You can contact us via our Facebook Page 'Falls Food' or contact our Chairperson Flora Chartrand at 705-207-6462. Falls Food, our local community food bank is located at the Onaping Community Centre and is OPEN on the 3rd and 4th Wednesday of each month from 4pm to 7pm

Community Heart & Soul

A little bit about.....

By Jana Niemi -Lahnalampi

Melinda Mott (formerly Niemi)

You may have bought a turkey supper ticket from her, or maybe she was your "Brown Owl". Perhaps you worked with her on a church committee or board, or she taught you gymnastics. Myself, I have known this woman my whole life. She is probably the first person I ever met. Some people call her Mel, some call her Mrs. Mott, others call her Mrs. N. I call her mom!

Melinda Mott grew up in Falconbridge. She enjoyed a childhood enriched with many recreational activities provided by the mining company. Softball in summer, hockey in winter, acrobatic dancing, brownies, and girl guides. As a youngster she was involved with her church, attending Sunday school and youth group. Falcona Camp, was a summer staple, first attending as a camper and later as a counselor.

Melinda started her education at SS#2 in Falconbridge attending it up to grade 10 and then transitioning to secondary school at Nickel District in Sudbury. At 18 Melinda left the North for "greener pastures", first in Toronto and then later Edmonton. Here she worked many jobs to save up for an extended trip backpacking through Europe. Melinda returned home to Canada where she met and fell in love with a fellow Northerner, who persuaded her to return north. Sulo and Melinda soon moved to the new community of Onaping.

While raising their three girls Melinda dedicated herself to many community endeavours. She started the Onaping Falls Gymnastics club, initially helped by Annette Mikkila and later Jack Miller. The gymnastics club continues to this day in Dowling. She led various guide and brownie packs, and looks back fondly on her years working with the kids. "In the gymnastics club -the kids were always happy, they loved their handstands and somersaults and in Brownies the kids were cute".

She served on various committees and boards throughout the years at St. John's United; in particular, she was a member of the United Church Women for over 40 years. Melinda is a master ticket seller, few events have gone on at the church in recent years that have not involved her selling record numbers of tickets.

Melinda's wish to help others is reflected in the additional organizations she worked with.

She drove for the Children's Aid Society, volunteered with palliative care and helped with food prep at a soup kitchen in Sudbury. Years ago she brought a very important training course, self defense, to L.D.H.S.

Melinda always looks for ways to help people. While I may be a little biased, I think it is inarguable. We are lucky to have her in our community and lives. She has brought many opportunities to the people in our community that may otherwise not have happened.

Today, Melinda lives in Levack, where she enjoys socializing with the ladies at the Blue Bird and Quick Way. She continues to be active in the church, assisting with pie making. Her favourite times are spent with any of her 9(!) grandchildren and if they aren't available, she would love to spend time with a pet. If neither grandchildren or pets are available - one of her three daughters will have to do!

As a side note, when I sat down to interview her for this piece, she thought it was for her obituary!

(Pictured on the left laughing with her lovely daughters, Jana, Cori and Marti)
