## **A.Y. Jackson Lookout a hot spot for Summer 2020**

Miss Teen Onaping Falls 2020, Kianna Kelly spent two days helping the Canada Summer Jobs students at the A.Y. Jackson Lookout, a.k.a. High Falls, this past month. The Paint the Falls activity had over 25 painters come out. The summer program ran for July and August with fun activities for all ages on Saturdays and Sundays. The students were also responsible for cleaning the trails to all three Lookout platforms, cleaned and sanitized high touch areas and used their program funding to pay for the Port O Potties available to hikers and tourists.

Activities included Tie Dye, Rock Painting and Butterfly Wreaths to name a fun few. There were 25 Junior Liaison that signed up and completed handbooks to receive a matching yellow t-shirt to the student liaisons.

The summer students worked the Lookout 5 days a week for 6 hours and counted a total of over 6000 visitors in 8 weeks. **WOW!** Tourists followed Covid protocols and enjoyed the beauty of High Falls and the 2 hour loop hike it had to offer.

Pictured from l to r are

# CARING BEYOND PRESCRIPTIONS

with your I.D.A. Pharmacist Norm Grillanda

## HEAD LICE

**Let us first cover the facts about head lice. They are insects that can't fly. They lay eggs on the base of the scalp hair that hatch in about 8-10 days with the entire life cycle lasting about 1 month. It is a common occurrence with children but can affect adults as well and is not related to poor hygiene in any way.**

Head lice can spread from close contact or sharing items like, combs, brushes, hats, towels or sleeping with an infected person. The most common sign is itching and although the live insects are hard to spot, the egg can be spotted on the hair shaft as whitish dots which are not easy to remove.

It is important to treat all family members as close contacts at the same time to prevent re-infection. Ask your healthcare provider which product to use and it is important to follow the directions for the product chosen and repeat the treatment in 7-10 days to ensure any eggs that have hatched are gone. It is essential to remove all the eggs from the hair using fingernails, tweezers or nit combs (very fine-tooth combs). Wetting the hair with vinegar and water will make this process much easier. Washing clothes, bedding, blankets, towels, hats and scarves in hot water and dried using the hot cycle of the dryer is also required. Soaking combs and brushes in hot soapy water for 15 minutes will make them safe to reuse. Dry clean any items that can't be washed or seal them in a plastic bag for at least 2 weeks. Rugs and furniture can be vacuumed.

Products used to treat head lice can range from insecticides such as Nix Creme Rinse, Kwellada-P Creme Rinse and R & C Shampoo to physically acting agents such as Nyda and Resultz. There have been cases of treatment failures possibly due to resistance or not using the product as directed. It is generally recommended to switch to a different type of product in this situation. Some home remedies like Vaseline and mayonnaise with Cetaphil Cleanser have shown some success while others like tea tree oil and lavender oil have not.

Confirmation of cure is important. This is done by inspecting the scalp to ensure there are no eggs present.

## MAPLECREST Cemetary Update

As some of you may be aware the name of our local cemetary was changed to the Onaping Falls Cemetary without a community consult.

Our Councillor, Gerry Montpellier looked into it and has since been notified that a NEW sign with the original name 'MAPLECREST' will be put up.

The cemetary has been given a facelift with new flowers beds, etc. The city has promised to repair the broken fence and to build a berm on the embankment to the gravel pit behind. It is hopeful this will all get done in 2020.

Best to all, Dolly Gordon

# Onaping Falls Pastoral Charge

Larchwood Memorial, Dowling & St. John's, Levack, Onaping, Cartier  
Rev Susan Peverley Office: 705 966-3823

## Schedule of Services for the Fall

Beginning on Sunday September 20<sup>th</sup>

Finally, we are re-opening for worship in our buildings.

After a long 6 months, we are finally going to open in our church buildings for worship.

Things will be different of course. All will require masks, physical distancing will be practised inside and we will observe the protocol advised by the Health Unit and the United Church Regional Council. We look forward to welcoming everyone but we want all to be safe, so if you are feeling unwell, please do not attend at this time.

**Larchwood Memorial, Dowling 9:30 a.m.**

**St. John's, Levack 11:00 a.m.**

Our **Pastoral Charge Celebration** will take place on

**Sunday, September 13<sup>th</sup> at 10:30 a.m.**

**At LARCHWOOD MEMORIAL, DOWLING**

There will be an open air worship service followed by a BBQ.

**All food will be provided.**

Remember to bring a mask, lawn chairs and a Mug and a fork.

**All are welcome!**

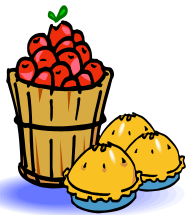

## COVENANTING

On Sunday, September 20<sup>th</sup> at 7: pm at St. John's United Church in Levack, we will formally welcome the Rev. Susan Peverley, our new minister in a **SERVICE OF COVENANT**. All are invited to attend with live streaming in the lower hall, if necessary to accommodate all with the Covid 19 Protocol in place.

Members of both congregations along with reps from the United Church Regional Council and Rev. Peverley will participate and the Rev. Catherine Somerville will speak.

Please join us for this very special service of welcoming!

## APPLE PIE MAKING

St John's United Church will be making apple pies on Monday Evening, September 28<sup>th</sup>, Tuesday, September 29<sup>th</sup> and Thursday, October 1<sup>st</sup>. We will be making fewer pies this year because of the Covid 19 precautions required. **All volunteers are most welcome for carrying, peeling, delivering, cutting, rolling, mixing, plating, etc.**

To volunteer or place your order for pies, please contact Marg Rabson – 705 966 2092, Chris Allen – 705 966 3321, Bob or Ruth White 705 855 9714.

**All orders must be prepaid this year. Don't be disappointed, order early.**

Thank you to the individuals responsible for the Canadian Flag and solar lights on the side of the 144/Falls area mountain side. The Flag needs fixing if someone wants to venture up safely, and fix it?

The MAPLECREST Cementary was recently given a new name! The Onaping Falls Cementary! Was the community consulted? Do those residing there need a change of address?  
UPDATE ~ Our Councillor has questioned the City and has been advised the name will be changed back to its proper.

The Onaping Community Centre is in dire need of repair. Panels and windows need replacing. Are they (CGS) waiting for the building to be condemned? Then they can tear it down and redirect the revenue to something 'GRAND'?

Please abide by the COVID-19 rules and pray that someday soon things will be back to almost normal!

Tourists and residents driving into Onaping Falls over the Dowling hill are welcomed by our water tower that says 'WELCOME. We've been expecting you!' It brings a smile to your face. However, it is in need of a facelift. Our Onaping Falls Community Action Network has been working hard this past year to convince the City of Greater Sudbury to add a splash of paint to it. The OFCAN board/members have also entered a contest with the 'UP HERE' organization in hopes of it being deemed worthy of their talented artists!

## GOVA Zone B: Chelmsford – Levack

GOVA Zone (previously known as “TransCab”) extends the reach of public transit to less populated areas of the city. If you live in a GOVA Zone service area, you can use GOVA Zone to connect with conventional transit routes at your local mobility hub. GOVA Zone services are delivered by partner taxi companies.

- There is no extra charge to take GOVA Zone: you can pay with cash or use GOVA ride cards and passes.
- Some restrictions apply to this service.

### HOW TO TAKE GOVA ZONE

#### TO TAKE GOVA ZONE FROM YOUR HOME OR STARTING POINT:

- Use the GOVA Zone maps to determine whether you are in a GOVA Zone service area.
- Use the schedules to determine when conventional buses connect with the service. Call the GOVA Zone service provider at least 90 minutes before your connecting bus is due to arrive at your Local Mobility Hub. When you call, you will be asked to provide your name and location for pickup.

#### TO TAKE GOVA ZONE BACK TO YOUR HOME OR DESTINATION:

- Ask the operator on your connecting conventional transit bus for a GOVA Zone transfer.
- At the connecting Local Mobility Hub, give the transfer and the address of your destination to the GOVA Zone service provider.
