Onaping Pool ~ Centennial Year Grant Project 1967

Pictured above are Centennial Pool Committee members,
Chair, Jack Duncan along with Mrs. Hector Grenier
and Wayne Eady

In 1967 the Onaping-Levack Centennial Committee was formed. Both towns had their own plans for the Centennial Grant but after discussions Levack gave their grant money to Onaping, to create a total of \$10,000 and agreed to have a community pool built as an additional to the Onaping Community Centre. A hall way connecting the Community Centre and the then, Lindsley Public School, was also built so students and centre goers could access the pool without having to go outside in the cold months!

Bill Day Construction (now the Day Group) worked hard to build the pool and prepare the strong base that has the pool strong and steady today, almost 60 years later!

As part of the Opening Ceremonies in 1967 Pool Parade was held. Parade floats included this one with Janet Mott, Ruth Green and Marie Corrigan (umbrella). Ruth Green stills swims regularly at the Onaping Pool!

Meet your Onaping Falls Swim Instructors

We have certainly been blessed with some amazing instructors/lifeguards at our Onaping Pool.

Denise, Pool Operator/Instructor/Lifeguard) has been with the pool for 23.5 years. Debbie has also been with the pool for 20 years. You can always find them smiling and eager to get our residents in the pool!

Denise says "It's never too late to learn how to swim. We have taught babies all the way up to 80 years old how to enjoy and stay safe while swimming"

Josee has been a lifeguard at the pool since August 2022 and Charli since December 2023. Denise also adds, "Past staff have gone on to amazing careers. Miners, doctors, teachers, paramedics, nurses, airline pilot and even a successful chicken farmer. To say I am proud of our past and current staff is an understatement. we are small but mighty!"

The pools Swim Team 'The Turphins' have had Swim-A-Thons and raised over \$20,000 for the CTV Christmas Telethon and donate annually to our Local Food Bank 'Falls Food'

The 'Swim to Survive' program teaches our children from Levack Public School, Larchwood Public School and E'cole St. Etienne how to swim!

A wide variety of programs run at the pool from September to May.

There are FREE public swims every Saturday until May 13th, 2023.

You can call the pool for information at 705-688-3908 or check online at www.greatersudbury.ca/lplay/pools

The Onaping Pool closes May 18th for the season and will re-open in September.

No worries for a place to swim because our beautiful Windy Lake Provincial Park (2kms away) opens on May 18th for the season and has the best beaches around!

FYI - The Ontario Parks Summer Day Use pass is \$75 and can be used at over 100 parks!! Worth every penny!!

Spring has finally sprung and summer is right around the corner with sunny days and smiling faces. The kids are playing outside again so please slow down and watch out for the youngsters in the streets!

My Little Rant...

We bicker about the price of gas, the rising food cost and other commodities on the rise but you know what 'We pay and We move on' because, We, as Canadians have the opportunity to earn more and spend more.

Timmy and I just got back from Cayo Largo Cuba and I could not believe how desolate it is there! The resort was beautiful and they were very accommodating and genuinely happy that we are there supporting tourism. Tipping was only a loonie or toonie and a cab ride was \$2 each person. When gas is available they line up 100 cars deep. The shelves of the drug stores were empty. When we left we gave them Tim's Roloids and my Tylenol and the recipients were Thankful. I gained 2 pounds and Tim said he wouldn't let me see the scale :)

On a HAPPY NOTE Remember that May 14th is Mother's Day. Realistically it should be 365 days a year! let your Mom know how appreciated she is and if she has passed on go and visit her resting place and say a prayer in her honour!

Adonia's Journey

Adonia Dunwell is a 14 year old feisty, uplifting young lady from Levack. She began her pageant journey back in 2020 with our Miss Teen Onaping Falls Pageant where she was crowned Princess in the Junior Miss Division.

Fast forward 3 years to February 12th, 2023 and our Miss Adonia competes in the Miss Greater Sudbury Pageant with many other contestants and is crowned Miss Teen Greater Sudbury 2023.

The money raised at the April 10th Lions Club Bingo hosted by Miss Teen Greater Sudbury Adonia Dunwell was presented to the Northern Ontario Families of Children with Cancer on April 26th. A total of \$1000 was donated!

NEW - School Support Online Portal

If you own property in Ontario, you are required to support a school system. Your property assessment notice will provide you with the information on what school board you are supporting.

As per legislation, your school support defaults to the English public school board. If you want to change your school support designation, you can do it by visiting the new school support online portal. The new online application makes it easier for property owners and tenants registered with MPAC to change their school support.

School support designation helps property owners and tenants identify which school board they wish to support with their taxes and during an election. This information is collected by the municipalities and the school boards for planning purposes.

To learn more, or to change your school support designation, visit:

Congratulations to our very own Austin Kurtis !

Austin won in all levels starting at Branch, then Zone, then District and now Area.

Area Public speaking encompasses both District H and K.

Austin is now on his way to Provincials in Stouffville on May 6th.

Austins speech this year was on the Guinness World Records. Speeches in the Primary level are 3 to 5 minutes long.

We send along some lucky charms with Austin as he competes in Provincials!

THANK YOU Windy Lake Motel & Restaurant

Amanda Linton presents Brian Harding, CEO and Chief Librarian of the Greater Sudbury Public Library, a cheque for \$1200 for our neighbourhood library! Windy Lake Motel & Restaurant collected scrap metal and donated the proceeds to the Levack Onaping Branch!

Onaping Falls (the communities of Levack, Onaping and Dowling) celebrates 50 years in 2023!

On January 1st, 1973 the 3 towns officially amalgamated and became the Municipality of Onaping Falls.

(The towns were once again amalgamated January 1st, 2001 but our former municipal names remain in 'informal use')

I heard a rumour there will be a 50th Celebration of sorts in late August/early September...stay tuned!!

If you would like to get involved please contact me via phone or text
