Youth Soccer year end BASH!

The Onaping Falls Soccer Club had over 360 kids registered to play soccer from May to July this year! The Youth played soccer in Dowling 2 nights per week.

To end the year with a BASH the Club held a Giant party at the Onaping Community Centre Splash Pad on July 5th.

Bounce Houses, Face Painting and Pizza were just a few things on the fun list. Medals were handed out to all of the soccer players.

The day began as a rainy day but the skies cleared up and the sun came out so all of our little athletes had beautiful weather for their party!

7 year old Martine Lefebvre is proud of her medal! Martine played in Division 3 Team 2 with Coach Nicole Grande (owner of La Lusso Salon in Onaping)

The smiles say it all! Ava Edward and her brother, Easton with sisters Stella and Ada Schweyer had an amazing day of sun, fun and laughter.

The Onaping Falls Soccer Club is headed up by Jessica Draper of Onaping along with numerous volunteer organizers and Coaches. Follow their Facebook page for next years season. Sign up begins in January 2024.

OBSERVATION DECK

AUGUST 2023

WITH ELLARD

Condolences to the family of Murray Simser.

WOW - with the warm weather here everyone is enjoying the outdoors with all types of activities. One particular event of note was the Onaping Falls Soccer Club year end party at the Onaping Community Centre field.!

The field was packed with over 200 children and adults taking part in the activities. They had inflatables, face painting, a popcorn truck, pizza, cake and games galore and they left the field in immaculate shape when they left. Jessica Draper informed me that there were 360 children registered for soccer this year. That is awesome and a nice reminder of more things to come. Does anyone remember the good ole days when we had these events at the Elks Club on Windy Lake? (even the 10 year olds could play Crown & Anchor) LOL

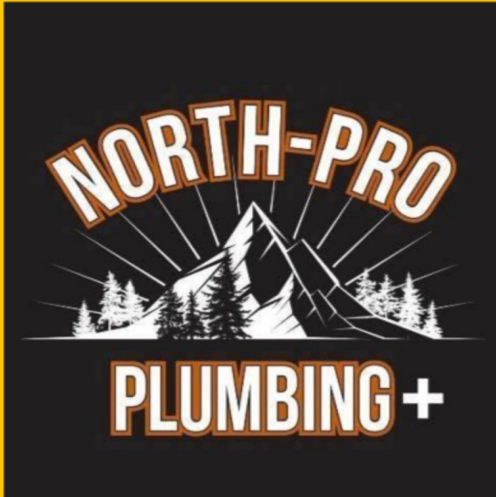

The next day I was out for a walk and I saw that somebody was having a big birthday party at the Community Centre and the Splash Pad was busy!

Another SHOUT OUT to Martha the Librarian in Onaping who has all sorts of things happening and has the latest 'reads' from most authors available to us. Don't forget about the Market Truck that come to the Onaping Library site on Wednesdays form 11-12:45. I noticed the gardening boxes at the Community Centre are starting to prosper in veggies etc. We are fortunate to have these community activities that seems to be catching on. Let's keep it going and Keep enjoying the summer in Onaping Falls which is 'Ours to Discover'!

The Start of School is only few weeks away!
Don't forget International Beer Day is August 4th!

Being

You don't have to paint in oils or watercolours or acrylics... You don't have to draw with a graphite pencil or coloured pencils or pastels... You don't have to etch or sculpt or carve... You don't need to study or take lessons or watch tutorials online...

All you have to do is look inside, discover what it is that makes you who you are, discover what you want to tell others, discover how you want to convey that...

That's all an artist does, no matter in what medium... or small... or extra large...
