**Onaping Falls Recreation Committee celebrates
10 years in our community!**

by Dolly Gordon

OFRC – 10 Years Tough (and not going anywhere!)

It all started with a report that was presented to the Greater Sudbury City Council in January of 2013. The report recommended that our arena, the I.J. Coady Memorial Arena, be closed. The word got out to the community and the I.J. Coady Memorial Arena Events Committee, consisting of Steve Bastien, Genny Larose, Colleen Hein, Danielle Landry and Carrie Morin, was born. The mandate was simple: save the Leveck Arena. The stated goal was to raise monies to bolster ice bookings at the arena as the primary basis for the closure recommendation was that our ice usage was the lowest of all arenas in Greater Sudbury. Funds were raised and ice time purchased, benefitting both our OFMHA Huskies and the local population at large by providing for more hockey and more public skating bookings, some of which continue to this day. The community came together and proved to City Council that the report was flawed, and that I. J. Coady was and is vital to us in Onaping Falls. So convincing was the argument that then-councillor Gerry Montpellier vowed to chain himself to the doors before letting them close our arena. As it was, he never had to – our arena doors stayed open, and it is still here today, 10 years later.

And so is the Committee; still here, still under the adept leadership and guidance of Carrie Morin, and still advocating for the people and recreational facilities of Onaping Falls. In 2014 we incorporated as a not-for-profit, with a new name – the Onaping Falls Recreation Committee – and a new mandate: keeping the community strong, with fitting resources and thriving residents who stay active and engaged in our hometown. They do this by organizing unique events that put Onaping Falls in the spotlight, leading and participating in local initiatives, and spearheading and supporting infrastructure projects for both new and existing amenities.

OBSERVATION DECK

MAY 2024 WITH ELLARD

Condolences to the families of William Armstrong,
Christopher Aelick, Debra Brosseau, Frank Charlebois,
Donald Gordon Grenier, Glen Hubbley, Carol Weber,
Emmett O'Bumsawin, Mary Paulette Simpson and Mona Rozborski.

Let's all welcome the Cramers who now own the Valu Mart in Dowling.
Let's show our support by shopping local!

I'm forever giving praise to the local businesses, organizations and people
who do wonderful things for our towns in Onaping Falls!
When I enter a place of business such as the Medical Centre, Credit Union,
Valu Mart, Home Hardware etc. I feel proud that the employees seem to go
out of their way to make my experience enjoyable. My son couldn't believe
when I went to the Credit Union with my laptop and asked for help
because I had lost my Credit Union icon and they fixed me
right up on the spot. He said 'try that in the City!' lol

What I am getting at is my neglect to you..The Readers of the Onaping Falls
News! As with all editions cost is a factor and advertising support helps pay
for the issues. You, the reader, understand that and the fact that you take
time out of your busy schedules to read the Onaping Falls News is a
testament to the dedication of Dolly and crew!

THANK YOU READERS as without you there is no paper!

Relax! Enjoy and take part in all the organizations and programs
available here in Onaping Falls!

and some go camping (sometimes in the snow), drink too
much beer and catch fish (fun for some). And remember that is is actually Victoria Day not

In memory of
Leona Dawe

March 21, 1935-February 29th, 2024

Our dear Leona, peacefully surrounded by love has entered her eternal rest.

Leona was amazing, talented, passionate, caring and funny... she has touched and influenced so many in her almost 89 years.

Survived by her son Robert (Onaping), nieces Leslie Menard and Lisa Teske, and their families (Barrie) as well as other nieces and nephews throughout Canada.

Predeceased by her husband Norm Dawe, her parents Saimi (Bontinen) and Len Sabourin, sister Jeanine Sabourin and brother Robert Sabourin.

Her family originated from Happy Valley, the first settlement in the Falconbridge area. During the years her Dad (Len) served in WWII (1939-1946), Leona, her Mom and brother moved to Frood Road/Donovan area.

Once Len came home in the Fall of 1946, they moved to Minnow Lake, then to Onaping when Len acquired a full-time job with Falconbridge (early 1950's)

Leona met the love of her life Norman Clifford Dawe in Levack, they were married May 24th, 1958.

In the Spring of 1966 Robert John was born, together they raised their son and made Levack their home for 60+ years. Their home was always open and welcoming for anyone to pop in for a visit.

A hot cup of tea, treats or Norms homemade stew were generously offered while laughing and storytelling around the table for hours.

Leona became an active volunteer involved in many community activities. She was an extremely talented and creative seamstress, gifted at crochet and knitting. She was an entrepreneur and businesswoman sewing and selling her products through her successful business Leona Dawe Creations.

Leona leveraged her countless skills, teaching her craft classes from her home, as well as through Cambrian College with 2023 marking her 50th year teaching in the community.

Leona had many passions from her love of music to swimming and baking. However, her favourite past time was to watch figure skating. Devoting many years to the local skating club by designing and creating costumes for the skaters. She also spent many hours at the local rink supporting her son Robert during his figure skating and formattable hockey days. Sitting in the stands with her knitting/crocheting in tote.

Her great sense of humour, spirit for life and a good time was contagious. She had heartfelt devotion to keep in touch with family and friends with a phone call, handwritten note, a memorable card or baking and gifting her 'famous' Rum Cake.

Memories of **Leona Dawe** *continued*

Leona had a natural flair for fashion and design always 'dressed to the nines'.

Whether running errands, shopping in town or playing a round of golf, Leona was easy to recognize in a refined outfit adorned with a matching hat and scarf, with her love and accumulation of footwear, almost as impressive as her hat collection. Always classy and gracious!

As an avid golfer, Leona had the privilege of travelling and competing in golf tournaments around the province, taking home many trophies.

The Onaping Falls Ladies golf nights and shenanigans with the 'fearsome foursome' were some of her favourite memories. She had one heck of a swing and boy could she drive a golf cart...

She had a tremendous love and pride for her community, she was an integral part of St. Bartholomew's Church in Levack celebrating her 70th year with the Catholic Woman's League. She will truly be missed.

Leona is at peace! While her final years were challenging, as best she could, she managed through her 'go with the flow' mentality to make the best of her time as she faced it. She deeply missed her husband of 60 years and will now forever be in his arms.

To all of Leona's cherished friends, thank you for your unwavering love, laughter, care, patience and support. You meant the world to her.

As Leona would say, 'Love you Big, Bye for Now!'

To all who supported Leona: Dr. Laski and staff, Care and Community Access teams, Dr. Rock, HSN Nurses, PSW's, support staff. Pioneer Manor Mallard/Lilac Wing. Renee Schilkie and team at Park Lawn Cemetery. For your gifts and sincere care, compassion and guidance, the Family thanks you!

On Saturday June 22nd at 11:30am a Funeral Mass will be held at St. Bartholomew's Church in Levack. Interment at Maplecrest Cemetery and a Celebration of Life to follow at the Onaping Falls Golden Age Club.

*Onaping Falls Recreation Committee celebrates
10 years in our community continued...*

The largest projects began immediately after incorporation. Fundraising and planning for a splash pad in Onaping Falls started before the ink was dry. Many months (and lot of work) later, this dream became a reality. After fundraising for four years, we received funding from Fednor and the City of Greater Sudbury to build our splash pad. In August 2018, the Onaping Splash Pad officially opened. This free amenity has helped keep families cool in the summer ever since!

The OFRC at its core is a group of residents committed to the betterment of the lives of the people of Onaping Falls. We especially place high value in our youth and seniors, striving to provide them with the necessary tools to remain happy, healthy and involved in our community.

In 2019, the Committee approached the City of Greater Sudbury Tourism department with a request for partnership to re-open the A.Y. Jackson Lookout facilities for the summer months. With their support, they became the proud recipients of the Canada Summer Jobs program through the Government of Canada, something that has carried through for the past six years. The Lookout had been closed up for many years!

With this grant, the Committee creates jobs for our youth, who act as Ambassadors of Onaping Falls. Their goal, with help from Sudbury Tourism and GCS, is to make High Falls and surrounding communities a prominent tourist stop for people visiting Northern Ontario. The students share knowledge of the area and also run a weekend program of arts and crafts inviting anyone to join in.

In 2020, the OFRC began the Student Citizenship Award. We recognize a student who has demonstrated exceptional qualities in Citizenship. Recipients are a graduating student from Onaping Falls who has made a positive contribution to their school and community and are school or community leaders.

Over the years the membership of the committee has changed several times, and has included many people, both short and long-term, fulltime and part-time, but the commitment to serving the people of Onaping Falls has never wavered. New events have been introduced, and old ones revitalized.

New volunteers are always welcome to join the committee. You can contact Carrie Morin at 705-918-1978 if you wish to help out!
