## Summer is almost here!

*by Dolly Gordon*

ONAPING FALLS NEWS

The last 2 weeks in May were chilly and rainy but June has come in with warmer temperatures and sunshine! Onaping Falls gets busy in June with the Mixed Softball League in 'full swing :)' and the Youth Soccer league playing.

Our beautiful High Falls starts to fill in and the waterfall slows down. Did you know that last summer over 10,000 people visited our Waterfall? Highway 144 gets very busy with traffic to 'camp' and the black flies and mosquitos wake up and cause us a bit of misery.

No complaints though! I always look forward to Hot Summer Days and spending time at Windy Lake Provincial Park. Summer Park passes are very affordable. \$84.75 for May 16 to September 14th . You still have to reserve your space during the busy days but it is a simple phone call or online reservation. You should look into getting one!!

Did you know that with your Free library card that you can borrow fishing rods and tackle, walking poles and chromebook computers from our libraries?

You can also borrow Ontario Park Passes with your card for FREE! The pass gives you 1 week of free access to our beautiful Provincial Parks and Kivi Park! They loan out WIFI Hotspots too!

Each person in your family with a library card can borrow these items so a family of 4 can really get set up for the summer!

Items are limited to each library so be sure and visit our library in Onaping or Dowling and find out more details. It is FREE..you can't go wrong!

The CHIP STAND is OPEN in Dowling too! I haven't tried it yet but I have heard it is really good! Their business hours will depend on how busy they are so try and support local by visiting ! Spoil yourself with some chips and gravy with a few cheese curds thrown in :)

The Longest Day of the Year is Friday, June 20th. Also known as the First Day of Summer and the SUMMER SOLTICE!

The Fox Lake Lodge does some fun celebrating of this day. Be sure to check out their Facebook page for more details and also to check out the many cottages they have to rent!

## Recycling and making a difference

How do we help the environment and our community at the same time? You take unwanted canvas, supplied by Health Science North, and turn them into useful walker caddies. With the help of the ladies in the Onaping Falls Quilting and Stitchery Guild, we were able to donate 20 unique caddies that will be gifted to the residents of St. Gabriel Villa.

Become a member and join us every Wednesday starting on September 3<sup>rd</sup> at the Dowling Leisure Centre.

## NICKEL BELT BULLETIN

JUNE / JUIN 2025

Hello,

Did you know that you can access health care services through your local pharmacy with your health card?

Ontarians can access pharmacy services free of charge. These services include filling drug prescriptions and medication counselling. Pharmacists are also able to prescribe certain treatment options, including for some of the most common, medical ailments.

In addition to filling drug prescriptions, many pharmacies offer one-on-one counselling to help you quit smoking or manage diabetes. Many also administer vaccines including the flu shot, from specially trained pharmacists to people 2 years of age and older.

The following are common ailments that pharmacists can write prescriptions for:

acid reflux, acne, cold sores, dermatitis, diaper rash, hay fever, hemorrhoids, impetigo, insect bites and hives, menstrual cramps, nausea and vomiting in pregnancy, oral thrush, parasitic worms, pink eye, sprains and strains, tick bites, urinary tract infections and yeast infections.

If you have symptoms and would like to know if a pharmacist can help you, just ask...

If we can help, please call us at **705-969-3621** or **1-877-280-9990**.

Until next month...

Bonjour,

Saviez-vous que vous avez accès à des services de santé dans les pharmacies avec votre carte santé?

Les Ontariens.nes peuvent bénéficier gratuitement de certains services offerts en pharmacie. Ces services comprennent les ordonnances et des conseils sur les médicaments. Les pharmaciens.nes peuvent également prescrire certains traitements pour plusieurs problèmes de santé courants.

De nombreuses pharmacies offrent des consultations individuelles pour vous aider à arrêter de fumer ou gérer le diabète. Plusieurs pharmacies administrent aussi des vaccins, comme le vaccin contre la grippe, aux personnes âgées de 2 ans ou plus.

Un.e pharmacien.ne peut prescrire un traitement pour les problèmes de santé suivants :

le reflux acide, l'acné, les feux sauvages, la dermatite, l'érythème fessier, le rhume des foins, les hémorroïdes, l'impétigo, les piqûres d'insectes et l'urticaire, les crampes menstruelles, les nausées et vomissements liés à la grossesse, le muguet buccal, les vers parasites, la conjonctivite, les entorses et foulures, les piqûres de tiques, les infections urinaires et les infections à levures.

Si vous avez des symptômes et voulez savoir si un.e pharmacien.ne peut vous aider, n'hésitez pas à leur demander.

Si nous pouvons vous aider, appelez-nous au **1-877-280-9990** ou au **705-969-3621**.

Au mois prochain...

## JUNE 2025

### WITH ELLARD

Condolences to the family and friends of Sophie MacLean, Larry McLaughlin, Gwen Koroscil (Sweeney), Rose Marie Greco (Fera), Doreen Sanders, Pascal Lefebvre, Msgr. Andre Tremblay, Lionel Courtemanche and Kristina Mikkila

You may remember, back in the day as they say, Mr. Lionel Courtemanche. He was the town of Onapings Recreation Director for many years. Under his aspirations the town prospered as a close knit community with plenty to do in recreational sport and activities.

*I thought that I had seen it all but on May 10th I went to the 3rd Annual 2025 Rock Harley Davidson 'Up in Smoke' Burnout Competition in Sudbury. I never realized we had so many motorcycle in the area. Different types, sizes and power. I was amazed at what they were calling a 'Burnout'. There was so much noise and smoke that I was wondering when the fire department was going to show up. And after these guys finally blew their tire off everyone was cheering like they won the Cup! They had roasted pig on a bun with salads, all for Free! I can't wait until next year! LOL. I still prefer the bike with peddles. Maybe I am old fashioned?? (Ya think?)*

Well...here we go again! The BEER STORE IN LEVACK IS CLOSING! The Government and the City of Sudbury will not rest until they have ghost towns. Forgetting the mines in our area provide to their greedy hands. Our taxes go up ~ Our services go down!

#### *Ellies bits*

The birthstone for June is Pearl.  
Clean off the Clubs and go golfing for exercise!  
Let's all take charge of our own space and sweep the sidewalk in front of your house.  
What's big in June?? Father's Day ~ Planting our veggie gardens
