ONAPING FALLS NEWS

Did you know April is Dental Hygiene Month? *by Dolly Gordon*

Dental Hygiene Month is an important time to raise awareness about the importance of maintaining good oral health and its connection to overall well being. Healthy teeth and gums are not only essential for a confident smile but also play a key factor in preventing chronic disease.

National Dental Hygienist Week (NDHW) is celebrated from April 4-10 in Canada to honour the role of dental hygienists in promoting oral health.

If you are looking for an awesome dental hygienist that will come to your house for care we have our local dental hero Paula O'Connor, owner of Healthy Smiles at Home. Paula and her staff offer mobile dental care in the comfort of your own home.

Dental cleanings, periodontal therapy, oral assessments, whitening, desensitizing, denture cleaning and oral hygiene is offered.

Healthy Smiles at Home offers direct billing to insurance companies and works with the Ontario Dental Health Plan and accepts Canadian Dental Care Plan (CDCP) recipients.

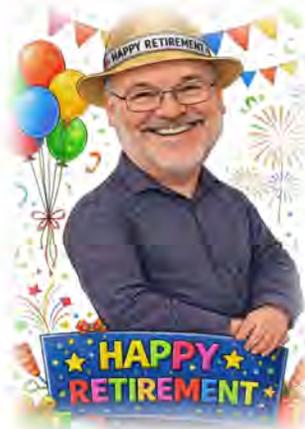

- **Don't forget to renew your CDCP between April 15- June 1, 2026. You must renew your coverage every year.**

You can do it online www.canada.ca or call 1-833-537-4342

April offers all kinds of opportunities to visit the library for programs, games or just for hanging out in our beautiful space. You may be surprised at all the activities and ideas you can experience on top of all the books! Get creative, relax, use the computer, knit, do a puzzle or play a game and more!

On Saturday, April 4th from 10:30 to 11:30 am, join us for a hands-on discussion on sustainability, where we'll explore eco-friendly living and you will create your own natural cleaner. **DIY natural cleaner - social exchange** will help you learn about the benefits of green alternatives, share ideas with like-minded individuals, and take home a cleaner that's good for both your home and the planet!

On Tuesday, April 7th from 4:00 pm - 5:00 pm we are offering an **Earth Day program** which blends storytelling, discussion and crafting, to inspire environmental stewardship. **A Greener Storytime: Reuse, Recycle & Feed the Birds** will have participants listen to a story about caring for the Earth, talk about recycling and reusing items, and create a simple bird feeder to take home. A fun, hands-on way to learn how we can all help protect our planet!

Don't forget, all kinds of **digital materials** are available through our www.sudburylibraries.ca **You can get eBooks, audiobooks, movies, workshops and more with your library card.** Come in and we will get you set up or call 705-688-3951 for more information!

NICKEL BELT BULLETIN

APRIL / AVRIL 2026

Hello,

As most of us are ready to welcome spring and warmer weather, I am sure some of us are worried about flooding.

The flood risks in Nickel Belt are currently elevated due to a combination of melting snow, ice jams and rain.

It is a good idea to stay informed about the flooding situation and to learn about how to prepare for a flood. If you would like to learn more about what to do before, during or after a flood, visit this website:

www.ontario.ca/floods

Before flooding occurs, it is always a good idea to:

- have an emergency preparedness plan and kit for you and your household
- take steps to prevent flooding in your home
- take steps to reduce flood damage
- review your insurance policy to ensure you have overland flood insurance

If we can help, please call us at
1-877-280-9990 or **705-969-3621**.

Bonjour,

La plupart d'entre nous sont prêts à accueillir le printemps et le temps chaud, mais je sais que plusieurs d'entre nous s'inquiètent des risques d'inondation.

Les risques d'inondation dans le Nickel Belt sont actuellement élevés en raison d'une combinaison de fonte des neiges, des barrages de glace et de la pluie.

Il est important de rester informé de la situation et sur les mesures à prendre en cas d'inondation. Pour en savoir plus sur ce qu'il faut faire avant, pendant ou après une inondation, consultez ce site web :

www.ontario.ca/fr/page/inondations

Avant qu'une inondation ne se produise, il est bon de :

- créer un plan et une trousse d'urgence pour vous et votre famille
- prendre des mesures pour prévenir les inondations dans votre maison
- prendre des mesures pour réduire les dommages causés par les inondations
- vérifier si vous avez une assurance contre les inondations de surface

Si nous pouvons vous aider, appelez-nous au
1-877-280-9990 ou au **705-969-3621**.

OBSERVATION DECK

APRIL 2026 WITH ELLARD

Condolences to the family and friends of Lucien Pilon, Gerald Dusick, Weldon Coulas , Marion Baylis and Jeff Beland

Honourable mention to the SNOWMAGEDDON of March 2026! The weather Gods were quoting 'in like a lion out like a lamb' backwards. They say over 40cm of snowfall in a day was the highest since 1959.

I hope everyone had a successful Winter filled with lots of shovelling and participating in your Winter sporting events like the Curling Club, Ski Trails and Arena. All 3 outdoor rinks were busy this year!.

I hope by the time you receive the April edition that the sun is shining and the streams are running and we can change clothes on the line! (Pretend there is a Smiley Emoji here because I can't figure out how to do it)

Please check out the newest business in town! The Great Canadian Dollar Store opening in the Dowling Plaza - Support local!

Remember when we had both the TD Bank in Levack and the CIBC in Onaping? They Closed at 3pm and you had to physically bring your cheques to the bank and stand in line for the next teller to deposit it?

Ellies Bits

The birthstone for April is the DIAMOND (measured in Carrots) LOL
April 7th is National Beer Day, National NO Housework Day and National Walk to Work Day (All stemming from National Beer Day)

The price of gas, at the time of writing this, March 20th, is \$1.69 per litre.

The RED/GREEN Team year is over and we are just waiting for the year end results. (We use the same voting system as Trumper so it may take a while to see the results.)
3 Red Team Members have asked to join a team release so they can pursue other offers. They quickly retracted as the never passed the aptitude test !
